**The Buckle, Inc. Press Release Narrative for 3/8/2018**

Our March 8, 2018 press release reported that comparable store sales, for stores open at least one full year, for the four-week period ending March 3, 2018, were down 5.3 percent in comparison to the prior year four-week period ending March 4, 2017. Total net sales for the four-week fiscal month were up 2.0 percent to \$64.0 million compared to net sales of \$62.8 million in the prior year four-week fiscal month ended February 25, 2017.

On the men's side of the business, total sales for the four-week fiscal period ending March 3, 2018 were down approximately 0.5 percent in comparison to the prior year four-week period ending March 4, 2017. The men's business represented approximately 50.0 percent of total sales for the fiscal month versus approximately 46.5 percent in the prior year fiscal February. For the fiscal month, overall price points on the men's side of the business were down approximately 3.5 percent.

On the women's side of the business, total sales for the four-week fiscal period ending March 3, 2018 were down approximately 12.5 percent in comparison to the prior year four-week period ending March 4, 2017. The women's business represented approximately 50.0 percent of total sales for the month versus approximately 53.5 percent in the prior year fiscal February. For the fiscal month, overall price points on the women's side of the business were down about 1.0 percent.

Within the men's and women's categories combined, accessory sales for the fiscal month were down approximately 7.5 percent in comparison to the prior year four-week period, while footwear sales were up just slightly. These two categories accounted for approximately 8.5 percent and 6.0 percent, respectively, of the current fiscal February net sales. This compares with approximately 8.5 percent and 5.5 percent for each of these categories for the prior year fiscal February. Average accessory price points were up approximately 0.5 percent and average footwear price points were up about 9.5 percent for the fiscal month.

For the fiscal month, UPT's increased approximately 0.5% and the average transaction value decreased about 1.5%, compared to the prior year fiscal February.
