The Buckle, Inc. Press Release Narrative for 11/7/2019

Our November 7, 2019 press release reported that comparable store sales, for stores open at least one full year, for the four-week period ended November 2, 2019, increased 8.5 percent in comparison to the prior year four-week period ended November 3, 2018. Total net sales for the four-week fiscal month increased 8.0 percent to \$69.6 million compared to net sales of \$64.5 million in the prior year four-week fiscal month ended November 3, 2018.

On the men's side of the business, total sales for the four-week fiscal period ended November 2, 2019 were up 8.5 percent in comparison to the prior year four-week period ended November 3, 2018. The men's business represented approximately 51.0 percent of total sales for the fiscal month versus approximately 50.5 percent in the prior year fiscal October. For the fiscal month, overall price points on the men's side of the business were down approximately 1.0 percent.

On the women's side of the business, total sales for the four-week fiscal period ended November 2, 2019 were up approximately 4.5 percent in comparison to the prior year four-week period ended November 3, 2018. The women's business represented approximately 49.0 percent of total sales for the month versus approximately 49.5 percent in the prior year fiscal October. For the fiscal month, overall price points on the women's side of the business were down about 1.5 percent.

Within the men's and women's categories combined, accessory sales for the fiscal month were up approximately 9.5 percent in comparison to the prior year fiscal October, and footwear sales were up about 23.5 percent. These two categories accounted for approximately 7.5 percent and 9.0 percent, respectively, of the current fiscal October net sales. This compares with approximately 7.5 percent for each of these categories for the same period in the prior year. Average accessory price points were down approximately 5.0 percent and average footwear price points were down about 7.5 percent for the fiscal month.

For the month, UPT's decreased approximately 0.5 percent and the average transaction value was up slightly compared to the prior year fiscal October.
